Apr 2018 – Jun 2018

**Temasek Junior College**

**Jan 2011 – Nov 2012**

**GCE 'A' Levels**

## WORK EXPERIENCE

**Marine Nexus (Start-up), Business Development Intern**

**Jun 2018 – Aug 2018**

- Charted financial models from scratch to dynamically generate margin analysis, pivotal in convincing clients and investors.
- Created Python-VBA Excel integrated scripts for data processing and analysis.
- Charted start-up's B2B business process flows from scratch, fundamental to start-up's business continuity.
- Expanded responsibilities by taking up marketing projects; designed flyers to provoke interest in potential customers.

**General Electric (Suez Water Technologies and Solutions), Technologist Engineer Intern**

**Jan 2018 – Jun 2018**

- Conducted research and pilot-testing independently; met all data request deadlines from existing and new clients.
- Part of an international team involved in innovating a new membrane technology, listed as one of the top projects by higher management in May 2018; improved communication skills in diverse team.

**Ministry of Health Holdings, Operations**

**Apr 2015 – Jul 2015**

- Weaved Excel macros from scratch, reconciled personal data of 1.2 million households within deadline.
- Coordinated operational activities of 30 island-wide help centres to under 5 incident reports from 1.2 million visitors.

## CO-CURRICULAR & VOLUNTARY ACTIVITIES

**SMU Executive MBA Curriculum Academic Project**

**Jun 2018 – May 2019**

- Handpicked to work closely with a team of 6 EMBA students on their Strategic Initiative Project.
- Responsible for delivering research data, financial models and process flow analysis; successfully defended my work against their scrutiny, data used for higher-level management analysis by the EMBA students for their curricular project.

**Investment Banking Institute: Financial Modelling and Valuation**

**Jun 2018 – Jul 2018**

- One of 22 students selected to attend 6-day intensive Financial Modelling & Valuation Programme conducted in NTU by New York-based firm IBI; selection fiercely contested among students.
- Training include financial statement analysis and adjustments, valuation analysis including DCF techniques, and modelling pro-forma leveraged buy-outs and M&A transactions.

**NTU Hall of Residences Common Room Committee**

**Aug 2016 – Sept 2018**

- Elected as Financial Controller by 200 residents for Hall of Residence 12 at NTU.
- Managed budget of \$30,000 for the academic year for all 13 event budget proposals with \$1000 overall surplus.
- Subsequently served as Business Manager for Orientation committee; secured 2 cash sponsors and 6 non-cash sponsors and achieved positive \$400 overall surplus of into subsequent year.
