---

### WORK EXPERIENCE

- 2017**              **CF Partners Asset Management LLP**              **London**  
***Sales and Trading Intern***
  - Analysed financial statements to assess counterparty credit risk on market-making trading desk
  - Led project to improve KYC processes using digital client management system in anticipation of MiFID II regulations, time taken for counterparty due diligence reduced by at least 50%
  - Shadowed portfolio managers and investment analysts on equity hedge fund side of firm (long/short equities)
  - Conducted extensive research to produce report providing an overview of the EU carbon credit market
- 2015 - 2017**      **Utor**              **Singapore**  
***Cofounder***
  - Conducted in-depth market and industry research to identify opportunity. Developed and launched mobile app in 3 months on Google Play Store that connects students with private tutors
  - Oversaw strategy, business plan, operational and decision-making responsibilities including capital allocation
  - User feedback and interaction taught the importance of user and client focus
  - Achieved close to 20% month-on-month supply-side user (tutor) growth with minimal marketing budget using data driven optimisation, agile and lean methodologies
- 2015**              **CS Lucas Associates Pte Ltd**              **Singapore**  
***Treasury Intern***
  - Reviewed newly implemented bond duration modelling feature within the treasury management system to write internal reference manual and documentation
- 2012 - 2014**      **Singapore Armed Force**              **Singapore**  
***Reservist Training IC***
  - Recommended changes to initial processing and security pass allocation for reservists resulting in total registration time being halved
  - Managed and organised team building events with a \$10,000 budget for each reservist training period, received positive feedback from senior officers and participants

---
